

ABHINAYA THANGARAJ

SUMMARY

Highly skilled and results-oriented PHP Developer Lead with over 3+ years of hands-on experience in designing, developing, and managing complex web applications. Proficient in PHP, MySQL and JavaScript. As a dedicated team leader, I excel in guiding and mentoring junior developers, fostering collaboration, and ensuring project success. I am passionate about staying updated with the latest industry trends and technologies to deliver cutting-edge solutions. Committed to excellence, I am eager to contribute my skills and leadership to drive your organisation's success.

MY EXPERIENCE

MELON VENTURES Pvt Ltd

JUNE 2021 - NOVEMBER 2023

PHP Developer Lead

- Developed and maintained scalable and secure PHP-based backend systems, ensuring seamless integration with frontend technologies and databases.
- Led a team of developers in the design, development, and implementation of complex web applications, including an efficient admin system for payroll management and a user activity tracking tool.
- Managed and maintained server configurations. Conducted routine server monitoring and performance tuning to optimize response times and ensure uninterrupted service for users.
- Implemented backup and disaster recovery strategies to safeguard critical data, enabling swift restoration in the event of server failures.

ADSYZGY Pvt Ltd

JAN 2020- MAY 2021

PHP Developer

- Developed an in-house CRM using PHP to track employee activities, eventually leading to 12% reduction in Work load.
- Conducted regular testing, identifying and resolving software defects to maintain the integrity and functionality of web applications.
